YEAR IN REVIEW – 2025 HIGHLIGHTS

A YEAR OF GROWTH & GLOBAL REACH

2025 has been a milestone year for Knowledge Mag Certifications, marked by steady growth, wider regional engagement, and strengthened industry trust. We are proud to share that our certification services expanded beyond our core markets, with successful business engagements in Fiji and Kenya. This regional expansion reflects our commitment to delivering internationally recognized certification and compliance solutions across diverse industries.

KEY MILESTONES & RECOGNITIONS

One of the key achievements of 2025 was receiving **SLAB Accreditation for HACCP and ISO 22000 certifications**, strengthening our credibility in the food safety sector. In addition, **FDA registration support was introduced as a key initiative in 2025**, enabling organizations to meet international regulatory requirements and access global markets.

PERFORMANCE & CLIENT SATISFACTION

Throughout the year, we focused on audit quality and client experience, resulting in a highly satisfied and trusted clientele.

INDUSTRY TRENDS & REGULATORY UPDATES

Key Developments in Standards & Compliance

In 2025, organizations across industries experienced increased regulatory attention in areas such as:

- Food safety and supply chain transparency
- Information security and digital risk management
- Sustainability, ESG compliance, and energy management
- Ethical governance and anti-bribery frameworks

These developments highlight a clear shift toward integrated management systems and risk-based thinking.

WHAT THIS MEANS FOR CERTIFIED ORGANIZATIONS

Organizations are expected to strengthen regulatory compliance, align with sustainability and ESG requirements, and enhance digital security and business resilience. Early adoption and continual improvement are essential to maintaining certification value and stakeholder trust.

LOOKING AHEAD: ISO 22000:2026

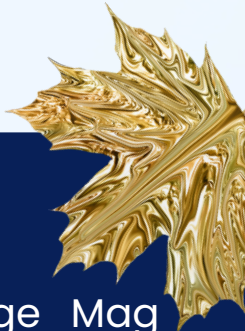

The upcoming ISO 22000:2026 revision will place greater emphasis on risk-based food safety, supply chain control, and traceability. Early preparation will help ensure a smooth transition and continued compliance.
